

PROTECT ACCESS TO THE BOULDER-WHITE CLOUDS REGION

Wilderness designation closes land to motorized use. Please enter your information below to show your support for recreational access to the Boulder-White Clouds region.

I, the undersigned citizen, applaud and support the stance of Idaho Governor C.L. "Butch" Otter in his opposition to S3194, the Central Idaho Economic Development and Recreation Act (CIEDRA). I also call on the Idaho Congressional Delegation to support Governor Otter's opposition to S3194 (CIEDRA).

I support recreational access to the Boulder-White Clouds region!
